

# HAND PROTECTION

## Heavyweight Cut Resistant Dotted Gloves

### DESCRIPTION

These gloves are constructed of heavy weight TuffKut® liner, a revolutionary duracore spinning process and an innovation silicon reinforced fiber that brings exceptionally high cut resistance along with incredible dexterity and tactile sensitivity. They are yellow with black PVC dots on both sides for better grip plus they have a reinforced thumb crotch for extra protection and wear. TuffKut® has comparable heat qualities to aramid fiber material and is bleachable. These gloves will not degrade in sunlight.

### INDUSTRY

- Material Handling
- Glass Handling
- Sheet Metal Fabrication
- Razor Sharp Metal Handling

### FEATURES

- Reinforced thumb crotch
- PVC dotted on both sides for better grip
- Bleachable
- Will not degrade in sunlight
